

New York, NY, 11/18/15 – Igor Runov, of Vie Clip™ LLC, has won a prestigious **Award of Merit Special Mention: Experimental** from the **IndieFEST Film Awards**. The award was given for Igor's exciting experimental short film, "**Ave Maria- XX century**," which explores themes of beauty and tragedy throughout the last 100 years. "Ave Maria- XX century" features exceptional visuals and sounds that come together in the most beautiful of ways.

According to Igor Runov, producer and director of the film, he was extremely honored to receive this prestigious international award. "We hope that this first attempt at creating a film based on our 'Vie Clip™' approach (from French - "clip of life") will attract new supporters and followers among industry professionals and public at large who would like to explore new ways of presenting the relationship of visuals and music in order to examine the grander themes found in our lives."

The IndieFEST Film Awards recognizes film, television, videography and new media professionals who demonstrate exceptional achievement in craft and creativity, and those who produce standout entertainment or contribute to profound social change. Entries are judged by highly qualified professionals in the film and television industry.
